

# Competitive Robotics! Recruiting - Open House

The Howdy Bots are a community robotics team for ages 13-18, and we're looking for **new students and mentors** who love STEM / STEAM!

HOWDY  
BOTS

We're not just builders and programmers - we also do graphics design, videography and editing, CAD, machining, outreach events, social media, and marketing!

Stop by our shop for an Open House and learn what we're all about! We're located at 12202 N Mopac Expy, Suite B, behind the Wells Branch Pet & Bird Clinic.

**Saturday, July 29**  
**1-3pm**

Come and go
